01

---

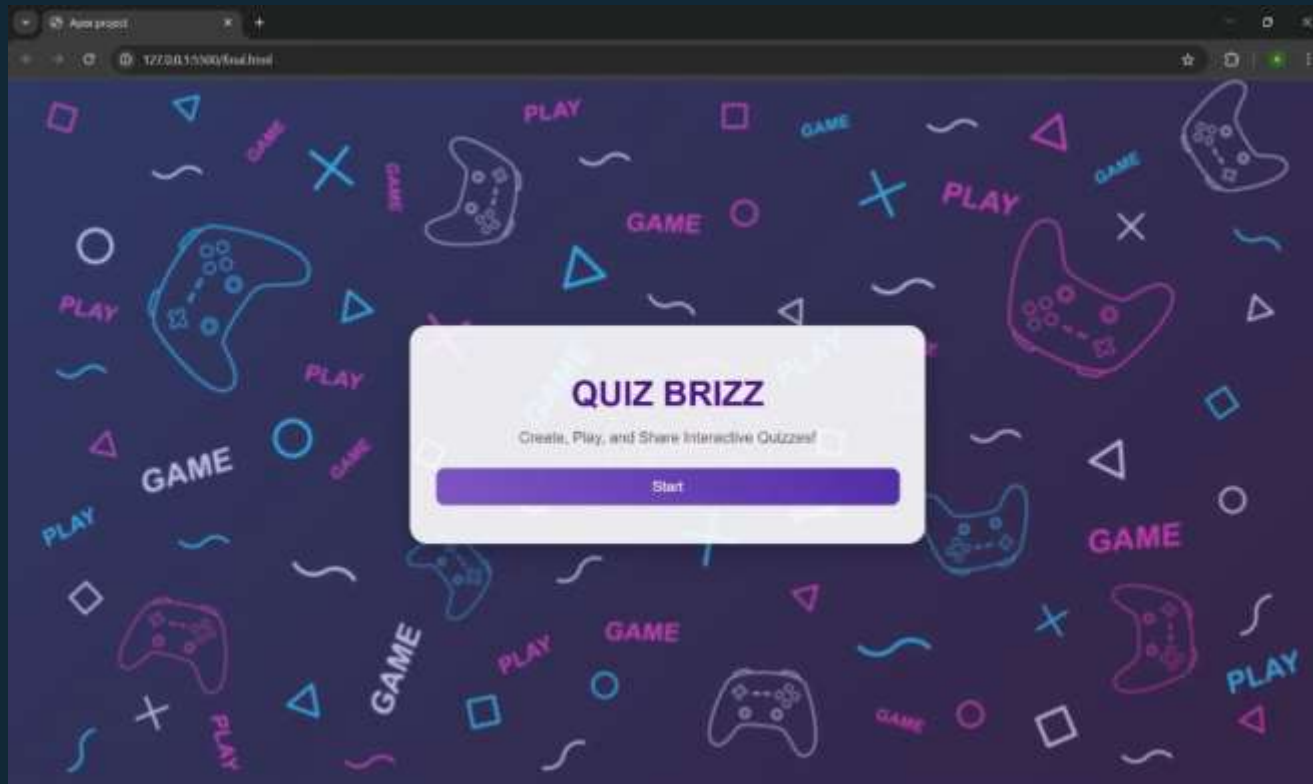

## Final Results Screen

Review your performance with detailed results and restart option

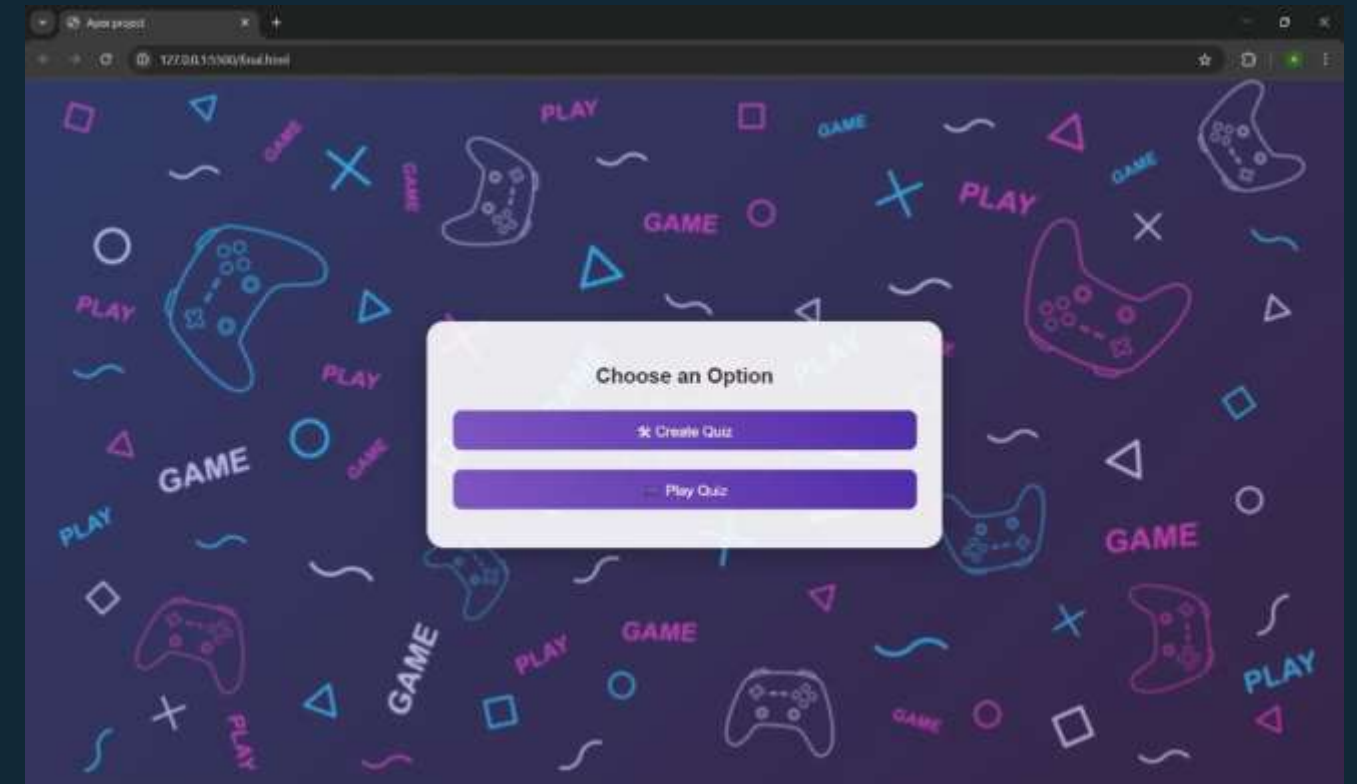

# How It Works: Getting Started

Creating and playing quizzes is simple and intuitive. Here's how you begin your Quiz Brizz journey:

## Welcome Screen

Choose to create a new quiz or play an existing one using a share code

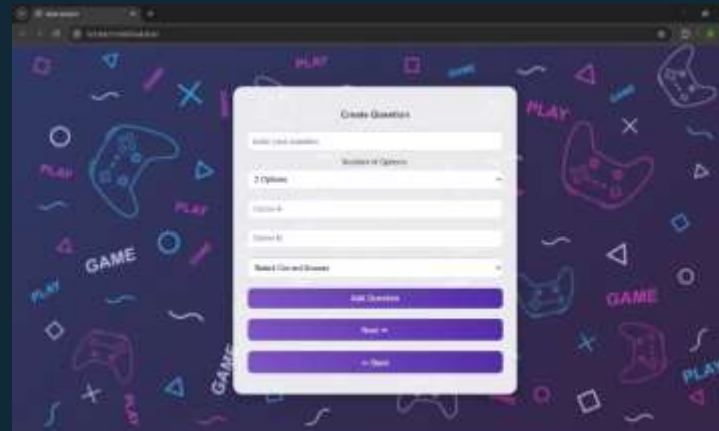

## Quiz Creation

Add your custom questions and multiple-choice answers with an easy-to-use interface

# Building Your Quiz

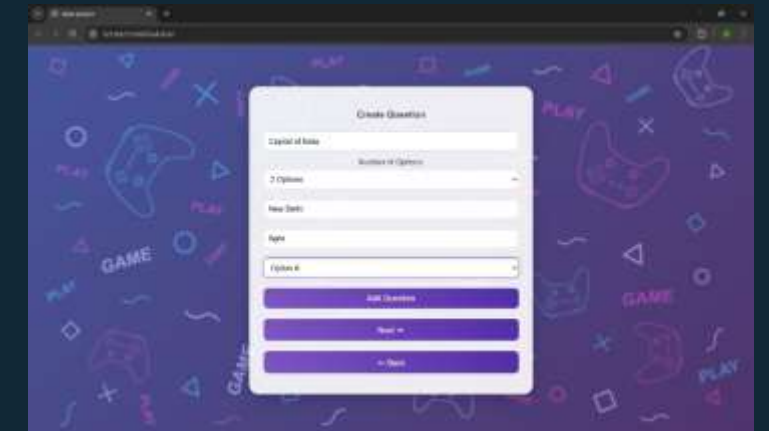

The quiz creation process is designed to be straightforward and flexible, letting you craft the perfect quiz in minutes:

A screenshot of a web browser showing the 'Add Questions' form. The form is titled 'Create Question' and has a light blue background. It contains several input fields: 'Enter your question', 'Number of Options' (a dropdown menu), '2 Options' (a text input), 'Correct Answer' (a text input), and 'Select Correct Answer' (a dropdown menu). Below the form are three buttons: 'Add Question', 'Next', and 'Back'.

## Add Questions

Enter your questions one by one with multiple answer options to choose from

A screenshot of a web browser showing the 'Generate Share Code' form. The form is titled 'Create Question' and has a light blue background. It contains several input fields: 'Capital of Italy', 'Number of Options' (a dropdown menu), '2 Options', 'New Text', 'Type', and 'Options'. Below the form are three buttons: 'Add Question', 'Next', and 'Back'.

## Generate Share Code

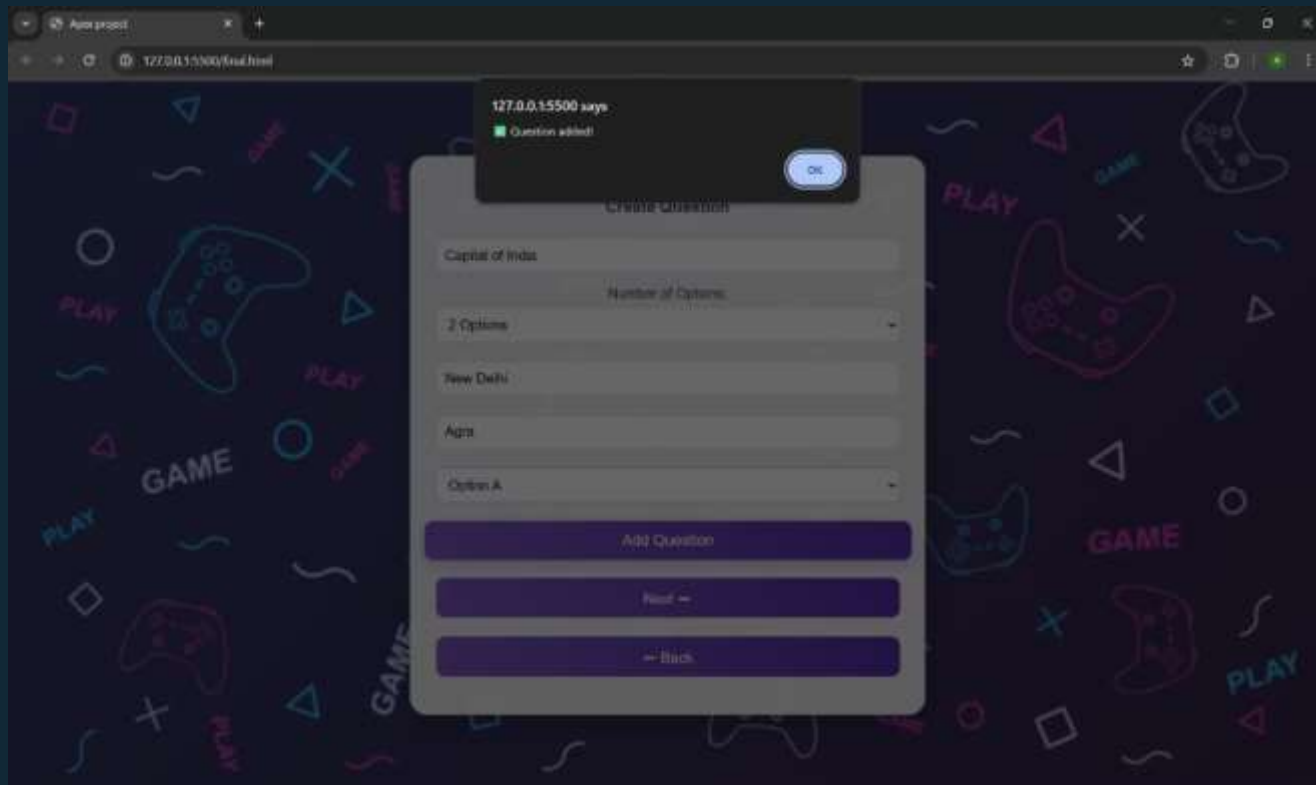

Once complete, get a unique code to share your quiz with anyone, anywhere

# QUIZ CODE

Friend and family your group.

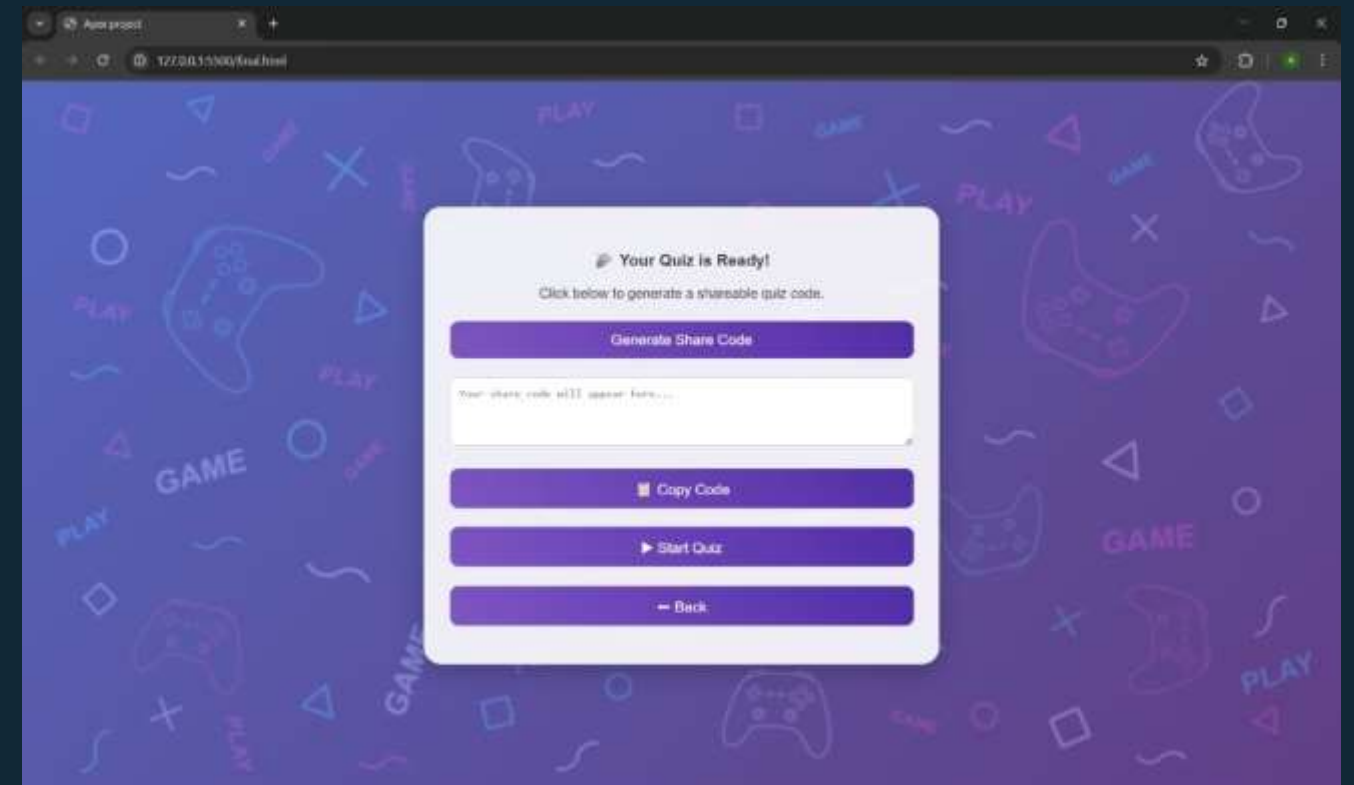

# Playing the Quiz

The quiz-playing experience is engaging and rewarding, with real-time feedback and beautiful animations:

## Answer Questions

Select your answers from multiple choices with a clean, distraction-free interface

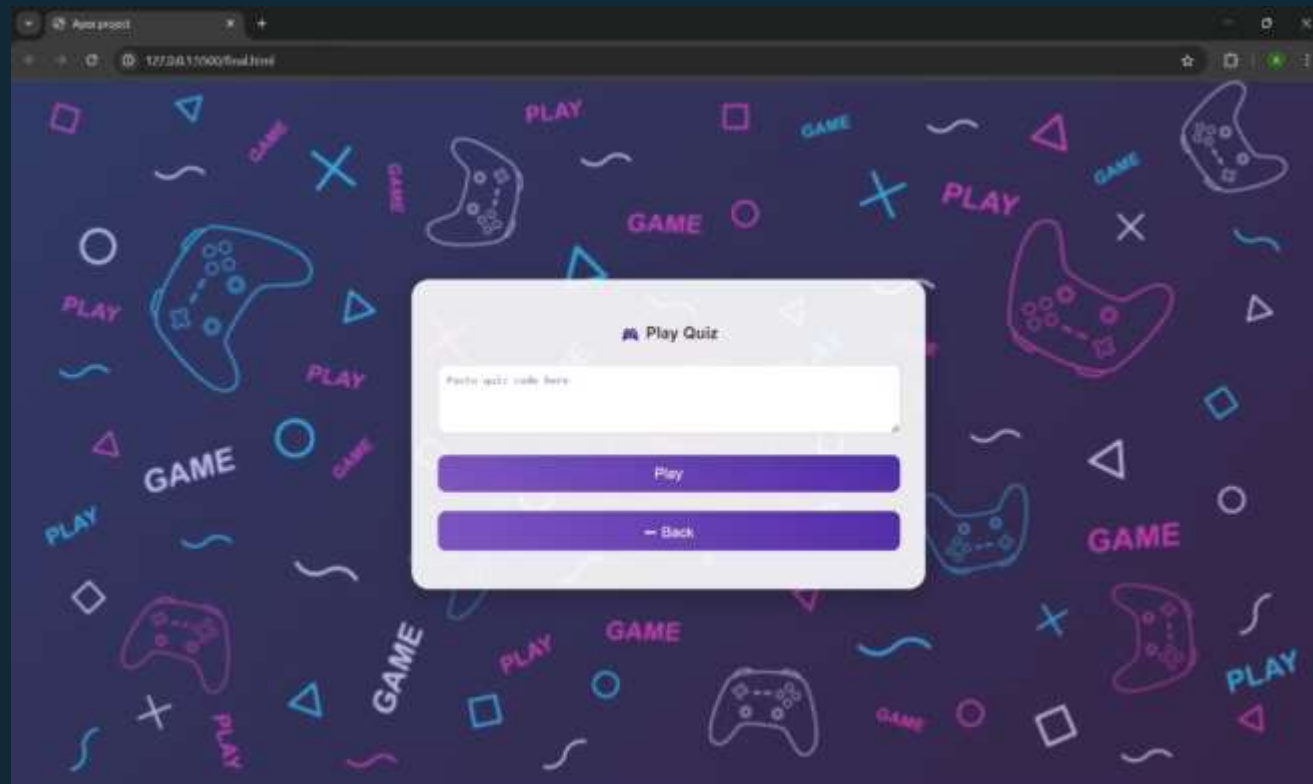

## Instant Code Generation

After creating a quiz a code will be generated which can be accessed by anyone.

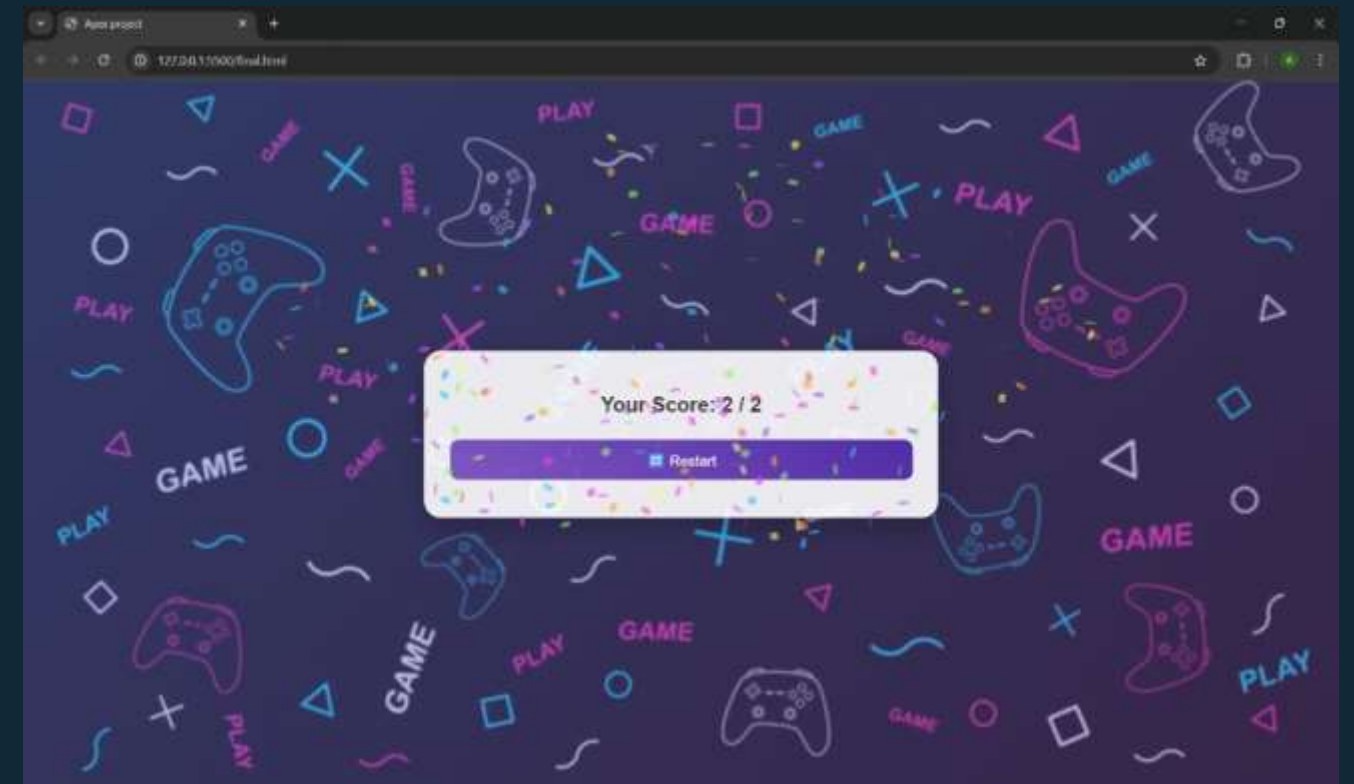

# Results & Celebration

After completing the quiz, see your final performance and celebrate your achievements:

## Progress Tracking

Visual progress bar shows how far you've come in the quiz journey

## Final Results

Detailed results screen with option to restart and try again for a better score
